### AGENDA:

#### I. Minutes

- [January Minutes](#) Approved

#### II. Security Cameras at BHS

- Admin team has been advocating for years. Many incidents would have been prevented or addressed very differently, e.g., thefts, racist graffiti
- Incident on 2/6/23 prime example - thankfully was resolved despite the lack of cameras
- Working with Pathways to Restorative Communities to repair and move forward
- Open for input:
  - (Teacher) Many schools today across the state received false threats, as today is the anniversary of Parkland. Without cameras, we are limited in our ability to disavow the threat.
  - (Student) I fully support it. I thought there were cameras in the middle school.
  - (Teacher) What does it mean to have cameras in a school? In classrooms?
    - Hallways, stairwells, cafeteria, entry points - not classrooms.
- Regarding the 2/6 incident, is there any feedback on how it was handled?
  - (Parent) Superintendent should have communicated out with the community
  - (Teacher) That can still happen - beyond just the weekly update
  - (Student) Most students in my Advisory didn't really want to talk about it. I got the sense that people wanted to move on, and maybe we should have talked more.
  - (Student) I think people generally still feel good about being here in Bedford.
  - (Teacher) I still don't know how to manage situations when students of color use the n-word casually in class. That would be helpful for future training.

#### III. Finals Schedule

- We talked previously about bringing them back for the end of the school year.

- Some feedback from students about challenges when exams are embedded in the regular schedule
- Not midyear exams
  - Looking at potential moving “Q5” plans to “J term” in January.
- When announcing to teachers
  - Do all teachers need to give exams? Consistency within different sections of the same course
  - It does go into Q4; otherwise, messaging about weighing the exams

#### IV. Community Conversations

- Ways to engage the community other than conferences and open house - for future discussion

#### V. Eighth/Ninth Grade Transition

- Came up in the student groups during the superintendent search process
- Future First Years Information Night - March 8
- Have done Step-up Day previously - some issues
- Perhaps integrate it more with the scheduling process? Work with counselors?
- Shadow day?
- Build in a class? Combine with post-secondary planning as you get older

#### VI. Post-Secondary Planning - tabled until March meeting

#### VII. Meetings date

- Next meeting: Tuesday, Mar 14, 2:30-3:30 PM
  - Post-secondary planning
  - Student Handbook changes - first conversation
